President's Message —

The coin show is getting close. I think we are almost ready. I will have the sign up sheet for the table and setup/tear down. I have the medals now and will bring them to the meeting.

We have Michael Landon speaking to us. He is an LDS Researcher and will tell us ways to help get information which could help with our hobby of tokens and metal detecting. I am looking forward to hearing him. I hope to see everyone there.

Don Swain

LAST MEETING

Last month we saw a most interesting video of the Mercur Gold Mining Town, and the progress it's made to our present day. It also showed of an excavation from the "town that couldn't stay dead". It was great! Sorry that those who were unable to attend missed it!
